

Letters of Endorsement

I have heard it said, and I firmly believe, that if you have integrity nothing else matters, and if you don't have it, nothing else matters.

I know first-hand that Steve Hambley has integrity. I have seen it in everything he does, in both his public and in his private life. At a time when too few such people serve, Steve is an honorable, prudent, and, above all, honest public servant, and simply a man of the highest character.

I am hard-pressed to think of anyone I know who shows greater respect for the public's rights and welfare, or who shows greater fidelity to the oath taken by public officials, than Steve. His sharp mind, broad experience, and encyclopedic knowledge never overshadow his completely natural personal decency.

Steve has earned my unfailing support, in whatever he pursues, and I emphatically commend him to the voters in his bid to remain our Medina County Commissioner. He is a quality guy, through and through.
