

Rep. Steve Hambley

SUPPORTING LOCAL POLICE DEPARTMENTS

“Because of a 2015 Ohio Supreme Court ruling, three township police departments in Medina County lost the right to make traffic stops and arrests on US and State

Highways within our own communities. Stopping those who drive intoxicated, those who traffic illegal drugs, and many other criminal acts is essential for the safety and well-being of our communities. We reached out to Rep Steve Hambley. He listened and he acted.”

**Terry Grice, Chief of Police
Montville Township**

“We heard, we acted and with the help of Senator Larry Obhof, and others, we changed the law.”

Rep. Steve Hambley

FOR THE RECORD: House Bill 378 (Hambley, Razebeek). Effective 4/6/17. Reinstated the power of Township Police departments to make traffic stops and arrests on US and State Highways in their jurisdictions.

Elect

Steve

HAMBLEY
